Coachcap Catch Up

Summer stock to sizzle by

A BIG welcome back and happy 2008 from everyone here at Coachcap!

The year has started off with a bang here at our head office in Ballina with heaps of new stock arriving at our doors ready for you to sample.

JB's have got you covered this summer with their new 'design genius' technology that keeps your clothes sweat free and you, nice and cool.

Called **JB's DRI**, the fabric is specially designed to absorb perspiration into the fabric and move it away from the body.

They also want to keep you safe from the sun's rays with the **JB's UV** factor built within the fabric safeguarding your skin, letting you select sun protective clothing with confidence.

Coachcap has also joined forces with perennial clothing specialist Fashion Biz, to deliver a smarter, comfortable and more "you" line this

coming season.

Whether you need a sleek looking chambray for work, a light singlet for your weekend run, or a casual t-shirt for a family BBQ, Fashion Biz can provide it for you.

So settle into these summer deals and many more with Coachcap, Johnny Bobbin and Fashion Biz.

GEAR FOR LIFE

Simply put, it's Gear For Life!

THE polo shirt is a staple garment in every Australian's wardrobe. Its comfort and light weight material sit nicely on your shoulders, reflecting our laid back casual lifestyle.

With this in mind Gear For Life have designed a whole range of sleek polos for you to look smart and stay cool in this summer.

Their polo shirt range focuses on comfort and sophistication, offering you one of the most amazing fashion colour palettes available. They can virtually match any colour solution you need.

They're also leaders in modern fashion technology with their DRI-GEAR moisture evaporation fabric aiding the perspiration process by taking sweat away from the body.

DRI-GEAR fabrics are excellent for sporting teams and clubs and are Gear For Life's uniform of choice.
