Shirts a cool success

WITH their 10th birthday in sight MidCoast Water value the personal high quality service that Coachcap offers.

Formed in 1997 in Taree, Mid-Coast Water is responsible for the water and sewerage systems, networks and facilities of the Mid North Coast of NSW.

The extreme weather conditions of the region make it hard to choose a suitable corporate uniform, but Records and Administration Manager Julie Fenwick says Coachcap made the choice easy and pain free.

"The staff are all very happy with the styles," Ms Fenwick said.

"It gets quite warm down here so the casual style is comfortable yet still smart looking."

Administering an area of some 7000 square kilometres means MidCoast Water are faced with big challenges every day, so Ms Fenwick was thankful for Coachcap's service.

"I like their receptive response to us," she said.

"They were very outgoing, fast to get back to me and didn't hesitate to call me if there was a problem."

MidCoast Water ordered the Fashion Biz Strike Polo as their casual Friday uniform.

The comfortable 100% polyester shirt comes in men's, women's and children's styles.

Cool comfort: Some MidCoast Water staff wear their casual uniform every day of the week.
